THE NEWS IN CAPSULE

*SPRING IN WASHINGTON---AND NATURE DONS HER HUGE CORSAGE: Nature, always carefree, beautiful in all her moods, is ever in contrast to humanity's tension and struggle, and to the birth-pains of our now racing Evolution. We are in the midst of a "scientific explosion." The responsibility this has incurred is so great that most people close their eyes to it. Sharper grow the lines 'twixt those who try to save the world and those who "live it up"! Even Congress---"the people's last resort"---is now openly charged with much corruption. "Congress," declares Howard K. Smith, "is our weakest link in Government;" with its self-permitted secrecy, it has become "an instrument of wealth and privilege" that corrupts the judgment of these lawmakers and "poisons the moral climate of the nation." Its ethics are deteriorating, says the radio. The Society for Social Responsibility in Science comments, "Today the farce at the top of the human spectrum needs only a few songwriters to set the words to music---high comedy or high tragedy, as you prefer." There is said to be a deliberate effort to condition the minds of the American people to brutality; Los Angeles has started to show bullfights on TV.....Meanwhile, Russia broadcasts 1025 hours a week on shortwave, and Communist China flings out her message of hate, destruction and revolt to the world, 787 hours a week....DELIRIOUS PLANET EARTH!!----Her aura crackles with acute contradiction and confusion, yet through and over it all, Nature pours her eternal beauty for those who see with clearer sight. "Here we have no abiding City," Bishop Sheen reminds us, "but we look forward to the City of Heaven"---to the "GREAT MORNING" which is the hope of those who are helping to fight this drama through..... Modern science has set down monsters in the midst of those who are spiritually unevolved. For instance, science has now actuated a bulldozer with nothing but the stepped-up electrical impulses from the heart of a goldfish.....POWER! POWER UNBOUNDED!.....The closer we come to the secrets of the Universe, says Paul Harvey, the more helpless we become upon the heart of the Creator. In these unprecedented days - oh God, give us Spiritual direction.

* * * * *

*THE EVERLASTING HUMAN SLANT: Gen. MacArthur is quoted as saying, "The nations of the world will have to unite, for the next war will be an Interplanetary War. We deal now not with things of this world alone...We speak in terms of harnessing the cosmic energy ...of ultimate conflict between a united human race and the sinister forces of some other planetary galaxy." MacArthur, the great military strategist---from what premise does he deduce such negativity? The UFO's are the most we know about extra-terrestrial intelligence, and even the Air Force acknowledges they are harmless; they almost invariably run when they are chased. Are all humans so steeped in Science Fiction, so brainwashed by evil imaginings, that as soon as they begin to look out beyond our planet, they can see and expect nothing but EVIL in God's great Universe?

***SKY NEWS:** A high NASA official discloses U.S. will soon probe THE MOONS OF MARS!!!! A Mars "Mariner" will seek to determine whether the moon Phobos is actually an artificial body. Prominent astronomers now agree Phobos is slowing down in orbit; it is only 10 mi. in diameter & whips around Mars 3 times as fast as Mars rotates----which violates all known laws of natural behavior; the Mariner will check for aluminum in Phobos' structure. Scientists deduce it may be a HOLLOW SPHERE launched long ago by an advanced race on Mars; experts Webb & Harder (U. of C.) say it could be an enclosed ORBITTING CITY----a "small artificial world" fully equipped for survival with hyperponic gardens, artificial atmosphere, etc. Russians agree, add it may point to sealed underground bases on Mars, of a race "probably extinct by now." Entire idea is so fantastic, it would have been rejected a few short years ago----but NASA is in dead earnest!!!!.....More on Mars: Astrophysicist Dr. Ernst Opik & 9 astronomers have discovered a large BULGE around the Martian equator - "apparently hollow, perhaps a roof built by Martians who lived---or still live---beneath it".....Latest maps of Mars' canals show connecting networks strikingly similar to Earth's railroad maps----dark spots on Mars are linked in patterns like rail lines linking our cities. (Credit for above, NICAP).....The 100-man Space Science Board of Nat'l Acad of Sci has urged U.S. to "speed up the search for life on other planets" & make it the No. 1 goal in the space program; the giant radio-telescope "ear" at Green Bank, W. Va. should be reactivated, as it may have "overriding importance," the Board believes.....Coming in Brighton, Eng. in Sept - Int'l Gravitation Congress, with many brain-stretching inventions.....JFK is outspoken re the value of our Space Program & will not be swerved from it.....Int'l Space lawyer Andrew Haley opines, "We will soon need an int'l commission to negotiate with extraterrestrial beings"--!!

***WHY THE SAUCERS ARE HERE:** LLP has always called Flying Saucers an OMEN----a portent. Their infrequent visits to Earth reach back to Biblical times. But soon after man split the atom, they began coming here in large numbers. Their worldwide visits continue. Things don't happen without reason! Certain religious students have long quoted the Bible verse, "This Gospel of the Kingdom shall be preached to all the world & then shall the end come." The word "Gospel" means "Good News." Saucers, harbingers of the Space Age, are other-worldly. They are an "alert." They draw our eyes skyward. What more logical than that one of their great purposes should be to waken us somnambulant, inert humans to the fact that Death is NOT THE END. Compare the ominous state of the world today to what it was when the Saucer incursion began 16 years ago. The U.S. is now on a "3-second alert." A few months ago, over half of No. Carolina could have been wiped out when a 24-megaton bomb fell out of a B-52; of the 6 safety interlocks, 5 had been set off by the fall; only the 6th prevented catastrophe. We seem verily to "hang by a thread." Doesn't this prove the Discs were an omen? If millions ----atheists & all----were to be pitched into the next dimension unprepared, a staggering amount of work would be required on the part of higher intelligences to waken them to the facts of the continuity of life. By appearing in our skies, the Visitors bid us look UP & BEYOND the things of this world. That, therefore, is their message. The Gospel----the GOOD NEWS!.....Saucer researchers have an inherent, compelling urge to get this Gospel to the people----in time, before millions "go over" believing Death to be the end! (Heads of UFO Groups, please use the above for open discussion.)

***HERE & COMING:** Here, world's tiniest radio - can be worn like a wristwatch - 2"x2"- (shades of Dick Tracy!).....Here, transparent thread---you can sew with it on any color.....Here, life-size toy for your rumpus room - a talking Western gunman (dummy) that fires blanks; price \$2000.....Here, in Germany, manmade carvings in stone discovered, said to be 200,000 years old; heads of animals and humans of the Ice Age... ..Here, in Russia - "youth adopting U.S. beatnik ways - wild hairdos & hooliganism". ..Here, amazing so-called "psychological" tests are being put to high school students in areas of U.S.----questions are of a low & vulgar nature & are designed to turn children against their parents, their country, their religion, etc. ("When you corrupt the morals of the youth of a nation, Revolution is already won," said Lenin.) ..Here, new 40-story Telephone Co. Bldg in N.Y. has no windows; called cellar-in-the-sky, "safe from A-blasts" (holds 1500 people).....Here, 4th largest industry in U.S. is Charity Fund Raising----8 bil \$ per yr----bulk of which goes into the pockets of the Fund Raisers; therefore, BEWARE!.....Coming, a wonderful new world of micro-miniature electronics----IBM computers in your briefcase, etc.

*WAR: The U.S. spends 140 mil \$ a day on Defense (millions of jobs depend on Defense).
.....At NORAD's "WW III" Nerve Center, a new 3-story underground HQs is being rushed to completion under Cheyenne Mts, Colo. Springs.....War, as a game of dials & buttons, steals on us unawares, says Prof. Easley of U. of Pa. (A WORLD HANGS WAITING)..
....Dr. Leo Szilard, one of the 3 originators of the A-Bomb, now gives the world "6 years to live if no solution is found" - this idea is said to be secretly held by great numbers of people.....Russia brags of developing a 100-megaton warhead, & claims they can now launch destruction, via satellite, upon any spot on earth.....UNESCO is asking for underground seismic explosions to explore earth's crust; it is "obviously the height of folly for scientists to gamble with these experiments," says Destiny Mag.
.....Big $\frac{1}{2}$ -mil \$ reinforcements planned for White House bomb shelter (most of it under Treasury).....Tiny pencil-like geiger counter clips on your pocket, whistles when radiation gets too high.....Frank Edwards tells midnight radio audience the next war will be fought not with H-Bombs but with LASERS!.....People are "proceeding the way of Death in a big hurry," says Japanese editor ("Brothers" Mag.).....JFK declares: if Khrush pressed the button, it would all be over in 18 hrs----"WAR IS NO LONGER A RATIONAL ALTERNATIVE."....."Mankind must either learn to live together or prepare to perish together," states the Pope.

*HEALTH FRONT: Cancer "March" on Washington! 75 cancer patients who are being kept alive by experimental drug KREBIOZEN came to Congress May 13 to ask Gov't to approve the drug; FDA threatens to void it entirely----meaning a "death sentence" for 100's in U.S. now taking it. Non-toxic Krebiozen, tested on 5000 patients since 1951, has shown a 70% favorable response; AMA & FDA oppose it because of medical politics. If FDA halts production, those who die will be martyrs, & a wrathful public may rise up and smite the wrong-doers. WATCH!.....New, dangerous high-pressure campaign is on to fluoridate all U.S. drinking water; N.Y.C., which has kept free from toxic fluorides till now, seems about to crack----mayor favors it, but Health Dept. officials are fighting it in press & on radio. (If your city is threatened, demand referendum.)
.....Letter from Ann Wigmore, D.D. (P.O. Box 189, Astor Sta., Boston 23) tells about her "Wheat Grass" therapy; sprouts are grown in your own kitchen, placed in juicer & taken by patient; tests show effectiveness on cancer & leprosy; even fallout radiation seems to be amenable; (holds great promise -Ed.).....Special Gov't Comm. has found U.S. contamination with pesticide is complete - man & every living thing so far examined by scientists is contaminated with minute amounts of DDT; pesticide industry waging mocking & vicious campaigns in own behalf.....Solution of granulated sugar in warm water sprayed on fruit trees, grapes, roses, etc. found more effective than pesticides - & harmless!.....AMA drops study of tobacco dangers----tobacco stocks spurt upward; (dirty work at the crossroads - Ed.).....The battle between people & poisons has reached a critical stage, says Organic Gardening----POISONS may emerge victorious!
.....FDA states U.S. public health is fine; yet Dr. Carlton Fredericks, lecturing on nutrition over WOR (NY), gets 1000 pathetic letters per week from people who beg for help..... $25\frac{1}{4}$ mil people in U.S. have arthritis, says Johns Hopkins - blames faulty nutrition.....The lowest creatures on the Planet are the GHOULS who profiteer on the sick! (What karma they are piling up.....)

*WEATHER FRONT: Chas. Wells charges an almost complete news blackout re the weather; says scientists are greatly concerned about link between nuclear tests & the strange & violent behavior of the elements in recent years. The number of megatons of explosives set off in last series by U.S. & USSR equals sum total of all previous blasts. "Before 1950 there were about 150 tornadoes each year----now around 700! People are not being told the truth."

*SECRECY----THERE'S LOTS YOU'RE NOT TO KNOW: News is being "managed" today more than ever before, says Editor of Encyclopedia Britannica. Vital facts are being suppressed & distorted----even falsified, declares Howard K. Smith; he adds, "Of all cities with newspapers, 95% are now one-paper cities" (making it easier for the controlling of your mind).....We learn that many interviews in the Pentagon are conducted by written notes passed back & forth while the parties talk aloud about the "weather"----because most offices are "bugged.".....Pentagon documents are sometimes tagged "SECRET" merely to cover up mistakes or to avoid criticism. "Pentagon classifies enough documents every week to form a pile higher than the Empire State Bldg."----!!

*BEST CURE FOR EARTH'S UNIVERSAL DISEASE, EGOTISM - is the study of Astronomy.

*SAUCER FRONT: U.S.A.F. trying doggedly to sink the Saucers, but public won't be hoodwinked! NICAP official tells LLP that interest in UFO's is now at an all-time high; a great expectancy is felt across the land----"people are waiting for SOMETHING!".....O'er the ramparts we watch, the Saucers still zoom.....Worldwide bulletins arrive almost daily, with news of "strange lights", "mystery objects", "fireballs" & "flashes"----reminding one of the "Signs in the Heavens" predicted in the Last Days.....Over a major AF base in Norway (HQs for U-2 planes) a brilliant UFO "shaped like a pyramid" rose slowly & hung in the sky for 2 hrs; thru binoculars it showed a luminous cupola; 2 nights later, it returned & again stayed 2 hrs; planes from base couldn't approach its height.....At Monterey, Calif, 2 formations of UFO's (about 24 in each were clearly seen by 100's on the ground as they glided silently out over the Pacific waters; local papers & radio carried it; wire services, nil... ..Near Perth, Aus., a huge crescent-shaped "thing" hovered in mid-day, was watched for 3½ hrs by chief meteorologist; scores who heard news over radio rushed outdoors to view it.....On Garret Mtn, N.J., 200 people watched a dozen bright white, round Saucers, in 2 parallel formations, go hurtling over the mountain.....England's BBC carried news of an auto being buzzed closely by a silvery, luminous object bigger than the car (item carried even by The Times of London).....Over a 4-day period in So. Australia "blazing sky objects" were widely seen; 5 children witnessed a pair of slow-moving UFO's approach a larger craft and "disappear into it"; Gov't astronomer opined, "probably a meteor"--!!.....Machine gunlike rattles alerted 100's near Johannesburg, S.A., who beheld a spectacle "like a long fluorescent light tube" descending in the sky; at point where it seemed to strike earth, not a trace was located.....Last Oct., a mother & 3 children witnessed a LANDING on a hillside near Adelaide, Aus.; discoid ship had 4-legged "landing gear" & round windows; man with helmet & "breathing apparatus" emerged, worked on one of the landing legs for 40 mins, returned up steps into ship & took off--1st slowly, then with great speed.....Near beachfront in Durban, S.A., a group of night bathers were astounded by a silent formation of "at least 60 large golden lights, bigger than stars, deployed in perfectly straight lines which formed 2 squares"; they swept in from the east, made a sharp 90° turn & zoomed out over the bay.....A number of British papers & mags now treating Saucers seriously; long-suppressed facts are being read by millions.....NICAP's HQs here getting phone calls from newspapers all over U.S., asking for info on the forthcoming "REPORT TO CONGRESS" on UFO's.....BBC TV network carried telecast on Saucers Feb. 8, repeated by request Mar. 27; 6-man panel had Waveney Girvan, Desmond Leslie, et al; "very favorable" to subject!.....In F.S. Review, British scholar documents 200 UFO sightings in ANCIENT ROMAN literature--!!

*JAPANESE UFO RESEARCHERS doing a magnificent job of alerting their nation. CBA's slick 34-pg monthly mag, "Flying Saucer News" is crammed with photos & sketches showing Saucer flights, widespread UFO group meetings, etc. Steady stream of sightings keeps public interest at peak. Editor went up into Tokyo Tower to take photos for cover of Special Issue; suddenly 2 silvery discs appeared over city, were caught by camera in 3 clear shots. (Theme of this issue is "THE COMING CATAclysm"; cover depicts Tokyo being swept under by a huge tidal wave.) We may well watch Japan in these Last Days, because of its unique position----Baptism with the A-Bomb.

*GLOBAL SCALE RESEARCH COMING? Last Sept., 7 Saucer clubs met in London & formed the British UFO Assoc. They now have 11 - & the Assoc. is starting a quarterly journal (illus.) Some 10,000 detailed sighting reports are on file & a punch-card system for indexing is being installed. Together with Gen. Chassin, 5-star ex-NATO Air Chief, they envision this research being done on a global scale, & perhaps receiving the recognition of UNESCO. Gen. Chassin declared, "The UN should be interested in probing the Flying Saucer mystery." He stated pointedly that if we persist in refusing to recognize the existence of these unidentified objects, "we will end up one fine day in mistaking them for guided missiles----and the worst will be upon us." The British Assoc. states there is no other field of study re events of the present day in which so much inspiration can be found----"inspiration that enables us to work tirelessly & unceasingly!".....Oh, the arrogance of those who think they can BUTTON UP THE SKY---who disallow others the testimony of their own eyes.....Oh, the pathos of the way this greatest of all subjects has been treated by EGOCENTRICS IN HIGH PLACES! The time of reckoning is coming----it's closer than you think...

*PUBLISHING NEWS: New weekly "HEALTH BULLETIN" (Rodale Press, Emmaus, Pa.) widely acclaimed as presenting completely honest news in health field, without smothering effects of pressure groups; sources of news on health in U.S. are now almost completely dominated by AMA, drug mfrs & Fed'l Agencies.....Just rec'd at LLP, "Book of Brothers (esoteric); deals with our relation to Space Beings - by Margit Mustapa.A most exciting book is "Hubble Atlas of Galaxies" by Sandage; has photos of 176 galaxies, each fully described; book called "a window on the Universe"..... Millions in U.S. are allergic to chemicals now used on foods, say 2 MD's, Drs. Spetz & Randolph in important new book, "Human Ecology & Susceptibility to the Chemical Environment;" solution: organic gardening.....Rec'd at LLP, "Answers for the Worried Smoker," by Dr. E. McBean.....UFO fans note:- new address for Gene Duplantier's excellent pub is "SAUCERS, SPACE & SCIENCE," 17 Shetland St., Willowdale, Ontario, Canada.....Coming, by the stormy Dr. W. D. Chesney (MD): "Confidential Medical Conspirators." Dr. Chesney was once almost martyred by his persecutors. At age 83 he says, "I am still trying to get folks to rise & smite the crooks who are sending humanity down into the pit".....Just rec'd from Humanitarian Soc'y, PO Box 77, Quakertown, Pa. - "AGE OF TREASON" - also "Your Health & Sanity in the Age of Treason" plus several booklets on Cancer, Poisons in Food, etc.

*THE CLOSING DOOR ON CAPITOL HILL: There are 6000 known lobbyists in Washington, & 1000's unknown, who stand between you & Congress, with almost 100% control. Most of these are tied to Big Business; press is afraid to tell you. Largest is American Medical Assoc, which deals with your most precious possession---your HEALTH. We have Government by Special Interest, says incisive prober Chas. Wells. You, the average citizen, are about "2 inches high"----let Congress know your eyes are open, by supporting right Group-action (Nat'l Health Fed, Consumers Union, Farmers Union, etc. - & of course, LLP right here at Hqs.) All such "watchdogs" need more help, before The Door closes.

*NATURE: LLP has recently made contact with 7 big Nature organizations----5 with HQs here in Wash'n; we'll let you know more about them; note 2 encl's herewith....Nat'l Wildlife Fed has branches in every state & on toward 2 mil members...Humane Socy estimates 3/4 bil animals are killed on highways annually.....300 mil animals are used each year for experiments. ("He who is not actively kind is cruel," said John Ruskin.)Reports are coming in on atomically-mutated insects; one of the most shocking is a "bee-like creature 4 inches long"---!!

*MAILBAG: Mailman routed us out early one morning with a Reg. letter from a subscriber in Ghana----yes, the New Age Battlers are everywhere.....Letter from a Minister decries the "GREAT FREEZE on UFO's"; lays it to Industrial & Military complex; adds, "Would that LLP had 10 mil readers".....L.A., Cal., tho blind, writes us in long-hand; says a friend reads LLP to her; sends blessings "till your ascension in the Light".....J.N., Minn., asks for copy of our plan for a Clearing House of Human NeedsM.J., Wyo., says "The morning glories you sent still come up as volunteers all over the yard; I think of you every time I see them".....M.McK., Cal., calls LLP "only source of real info along the lines of our interest".....Arthur Clarke, Ceylon, who had been ill, writes he is back on the job.....E.N., Sweden, writes of her tireless efforts to get the Gospel to her countrymen (a heroic effort - Ed.).....Now, before we "blast off", we want to thank you for all your letters (to which we seldom can do justice) & any gifts which you have sent or may be able to send. The New Age tempo is increasing, & our program with it. We have need for more support to help open the FLOODGATES. Mercury Magazine writes, "There is no profit in subscriptions---were you to strip magazines of their adv. & their subsidy for political bias, their price would exceed \$5.00 a copy." LLP carries no adv'g, but you have the power to hurl further this "Burning Brand" (as one Ed. calls LLP) & so hurry in the New Age!!

*THE LITTLE LISTENING POST is issued every few weeks - "when the news boils over"---- from Washington, news Capital of the World. It is sweeping the Far-Out Front, scanning, weighing, evaluating that which comes galloping over the horizon to insinuate itself into the human stream of affairs, whether or not we are prepared. Be watchfulThese times are a PERSONAL CHALLENGE to everyone----to YOU! Listen in - with The Little Listening Post!!!
