THE NEWS IN CAPSULE

*EDITORIAL.....CRESCENDO IS UPON US! Vast changes for both Good and Evil sweep over us. Forces with which we are unfamiliar meet us at every turn. Humanity moves toward the curtain-fall of the greatest drama in all History, says one writer----- the overthrowing of the systems of this world and the taking-over by the Great Master, the Christ. The days of the exploiter are numbered. To those who understand, it is high adventure, for though they are in the world, they are not of it. Yet they must witness the great debauchery of society, the staggering challenge of automation, the threat of the H-bomb that hangs like a SWORD o'er the world.....Established values crumble. Worthy causes are trampled under the heel of the Dollar God. Elvis Presley gets \$2,000,000 per year and owns 11 cars----symptomatic of today's index of values. (LAST DAYS!!)....."The Devil hath come down with GREAT WRATH, knowing that he hath but a short time." There is a build-up of tension. Many cannot take it. We are rapidly becoming a nation of alcoholics, warns Paul Harvey. In New York they just about "make it" till the cocktail hour. Well-to-dos are sending their children to psychiatrists. We now have all-night movies and TV. There is noticeably more obesity (overeating is a sedative).....Mass thinking is becoming homogenized----now only one or two newspapers in most cities. New Age teachers travel far and wide across country, though barely making expenses----they feel that "THE PEOPLE HAVE A RIGHT TO THE FACTS."Fred Stone (Ed. F.S. Review, Australia) editorializes: "It is time for those who have seen the vision to speak out. To this, some of us were born. We dare not fail in the mission allotted to us. Now or never, we must state the truth. The great War of the Worlds is upon us----when cosmic forces will be brought into play and the Planet, with all its hates, greeds and bloodshed, will reap its harvest. But it is also the time of the Great Deliverance----promised over the ages."....."Hold fast till I come," said the Master. "I will be with you even unto the end of the World." Echoing His words at this climaxing time, THIS is the message of the AVANT GARDE!

* * * * *

*THE AWAKENING BEGINS: What will hurry our chances of a hook-up with our "BROTHERS in Space"? As long as mass thinking denies the possibility of life elsewhere than on Planet Earth, how could Extraterrestrials feel welcome here? One of the most hopeful signs is that numerous scientists are becoming more outspoken in their acceptance of intelligent life elsewhere in the Cosmos. Among these are Britain's famous Sir Bernard Lovell, head of Jodrell Bank; Dr. Harlow Shapley; Dr. Otto Struve; Prof. William Howells, and Prof. Floyd Motz. Apparently, man has reached the stage in his evolution when it is time to be awakened from his monistic dream of being the only center of intelligence in the Universe. How better to wake him than to stage an exhibition of scientific activity around him WHICH HE CANNOT DUPLICATE----and so, which is necessarily from far reaches beyond his planet?

*SKY NEWS: Coming soon, 1500 MPH jet liners----NY to London in 2½ hrs! (3 airlines have already placed orders).....Coming in Paris, Sept. 25-30, Congress of the Int'l Astronautical Fed.....In Rome 3000 Bishops were asked to prepare suggestions re this proposal: "Should we or should we not evangelize the conquered planets?" What a revolutionary idea! This Group keeps a keen eye on the subject of Space.....Russia says it will build a "giant Flying Saucer" to orbit in space 150 miles up, & that the crews will rotate every 5 days between it & Earth.....Here, new Buck Rogers-type antenna will send command signals from Earth to deep space vehicles with pin-point control.....A HUGE UNSEEN PLANET has been discovered 500 times larger than Earth; detected by the wobble of a star that must be its sun, 6 light yrs from Earth.....An AF scientist believes there is water on the Moon - in form of subsurface ice or in silicate rock; would be simpler to convert it than to haul water from Earth!.....NASA aims to get first really clear pictures of Mars via a 36-in. telescope to be launched into orbit 500 mi.up----a "SPACE OBSERVATORY" riding high on a steady platform.....Russia's recent Mars probe failed mechanically as it neared the planet. Our Venus probe scanned its target 42 mins & scientists still crack their heads over the data sent back. The big question of water & temperature is still unproved, but experts say it would be foolhardy to rule out the possibility of life there. Pres. Kennedy will not be swerved from our Space objectives. Fact is - planet Earth is getting too small for us, & the time is near when---like a chick in an egg---man is either going to get out or die in the shell. COST ceases to be the question; what's driving things is internal pressure. Despite all obstacles, WE'RE ON OUR WAY!

*ESOTERIC FRONT: There is a "Sanctuary" in Lancs., Eng. where they do "absent healing" for animals----they ask you merely to send them the animal's name.....The dynamic Billy Graham took in 6 mil \$\$ of free will offerings last year; he, too, is expecting great changes ahead on Planet Earth.....Here, book by Dr. D.J. West, "Psychical Research Today" (Pelican Books), throws much light on new forays into the vast realm of the Occult.....New big-seller, "The Door to the Future" by Jess Stearn, says Einstein accepted the principle of psychic communication; that Russia is now working with ESP for espionage purposes, & the USAF is studying it for communication with Astronauts! Claims psychometry will one day eradicate crime. (Stearn is hard-headed feature writer of giant N.Y. Daily News.) Book's publisher, conservative Doubleday, declares, "We may well be on the verge of a BREAKTHROUGH IN PSYCHIC SCIENCE"---! The wellknown London "Daily Sketch" published, in booklet form, a dissertation titled, "Twelve Steps That Happen to a Person When He Dies." It was written by an eminent scientist. Tone is all very comforting -not at all as it may appear to a bystander. Many do not even realize for a time that they have passed over, since there is "no pain" in crossing... ..About 13 years ago, the Church of England in London commissioned a Committee to make a serious study on the question of SURVIVAL & COMMUNICATION AFTER DEATH. What more belated & what more logical a job for the Church to do? The study consumed several months. Inside circles learned later that the Committee rendered a FAVORABLE REPORT, but - don't hold your breath - the report was hushed up-----the Archbishop suppressed it! Now he is on the "Other Side" & according to esoteric sources, is trying to undo this wrong. It has been said there isn't a savage in the jungle anywhere who doesn't believe in a Hereafter.

*FALLOUT----THE BIG QUESTION-MARK: Two researchers who attended recent Congressional hearings on fallout told LLP the experts admitted our OVERALL IGNORANCE in the field & that we don't know how to set "safe limits". Last year's heavy atomic tests will soon drench the U.S. with 2 to 3 times as much radioactivity as before. "Official permissible limits" are being raised, but these are meaningless, says one authority, as every step-up in radiation will take its toll in "thousands of additional leukemia cases & deformed births." Canadian Med Assn Journal observes there were more A-tests in '61 & '62 than ever before, & with them a SHARP RISE in number of malformed babies; most deformities turned up where rainfall (radioactive) was heaviest. No similar studies have been carried out in U.S. (WHY? -Ed.) Says Drew Pearson, "Not too many adult Americans know the entire story of how this poison is accumulating or the steps taken by the atomic officials to hide it." A hushed-up report in Gov't files tells of recent tests made by U-2 planes in the upper atmosphere; they found the amount of dangerous high-level radioactivity (which is just beginning to fall to earth) is MANY TIMES AS GREAT as anticipated..... a sobering thought to those who built The Bomb!

*HEALTH FRONT: There are now 27,000 different insecticides on the market!.....Ultra-sonic broadcasts are being used effectively to kill corn borers, mosquito larvae, etc. Canada has Institute for biological control of pests (luring bugs with imitation mating odor). An insect has been found in Europe that eats NOTHING BUT WEEDS; it's being imported to avoid need of dangerous weed sprays.....Report says AMA has been held by Supreme Court to be a trade union, not unlike other trade unions, which are organized & operated for the financial benefit of their members.....Jesus felt that the body was so important, he spent most of his time healing the sick, says Fred Hart, head National Health Fed. He asks, isn't it time the people insist that some of our health funds be spent in the realm of Cause & Prevention? The NHF is the ONLY NATION-WIDE ORGANIZATION devised to do such a job.....Canada's Minister of Health has asked Parliament for a "grand-scale investigation into the cost & safety of drugs" & the dangers of food contamination from "insecticides & other noxious substances".....Here's a WARNING: if you manage to live on organic food, the SPRAY CRAZE may get you via your clothing; many dry cleaning shops are mothproofing "everything" (even cottons & synthetics) & the poison used can be absorbed into the skin on contact---both DDT & the more dangerous chemical "dieldrin" are now in use widely.

*KREBIOZEN: A WEIRD DRAMA HAS BEEN GOING ON IN WASHINGTON! This non-toxic drug, which has been given to cancer patients for 13 years with great success, is now---FOR VERY "MYSTERIOUS" REASONS---being "legally" withdrawn from use. The hundreds over the U.S. relying on it to literally save their lives, have risen up in wrath & terror & have just staged a second march on Washington. Sen. Paul Douglas, one of the champions of the drug (& whose office is swamped with calls) accused "organized medicine & especially the AMA" of DOMINATING the Gov't agencies dealing with it & so blocking it from the public. Food & Drug Adm. was charged with "harassment" of Krebiozen's discoverer..... Other independent cancer researchers have complained of similar "SS Troop" tactics---the invading of their labs & even the privacy of their homes---by FDA strong-arm men. The press frequently refers to this Krebiozen battle as "the greatest medical controversy of the decade." Fate of the drug still remains in doubt---also the lives of the poor patients - but----who cares about THAT?

*EDUCATIONAL FRONT: $7\frac{1}{2}$ mil expected to drop out of school during 60's - unfitted for anything but unskilled labor - says JFK. Coming, "Dropouts Anonymous" - a program of reconditioning for this group.....Here, a Fed program to put 60,000 young men (age 16 to 22) to work at \$60 a mo. & board - in forest, park & wildlife refuges; here is normalcy.....Cong. Ashbrook, Ohio, introduces bill to curb "brain-picking" tests for children in public schools. Write for your copy of H.R. 10508 to see the big collection of vicious, devil-spawned questions being furnished as "psychological testing" by private organizations such as Science Research Asso, supported by grants from your own U.S. Public Health Service & from State Univs.

*NEW SAUCER BOOK: MENZEL STRIKES AGAIN! We were recently warned that the Air Force was about to make a major effort to do an over-all debunking job on UFO's. It appears that the new book by Harvard's Dr. Donald Menzel titled "THE WORLD OF FLYING SAUCERS" is to play a big role in the campaign. Co-authored by a Gov't writer, it distorts, stretches, chops, fabricates or omits the facts in a fantastic attempt to explain away key UFO cases on record. Menzel's earlier book on Saucers was discounted by the AF as "not the answer"-----yet the same tired "optical illusion" theories are marched out again & this time are given the AF's full blessing! Kenneth Arnold's glittering metallic discs that zipped rapidly past Mt. Rainier were merely "grindstone clouds"; the Chiles-Whitted UFO (a giant fuselage with brightly lighted windows) was only a meteor; radar pick-ups of UFO's are nothing but plain old ice-crystal effects; the famed Lubbock lights were formations of low-flying plover (even tho they crossed the entire sky in 5 seconds); & the THOUSANDS OF PHOTOS taken since 1947 (stills, movies, color, B/W) are either frauds or honest mistakes, says the omniscient Dr. Menzel. But he meticulously omits mention of much of the powerful, irrefutable pro-Saucer evidence, such as ORTHOTENY (the straight-line patterns formed by worldwide sightings when plotted on maps); moving lights on the surface of the Moon---since 1869; the strange reactions of animals in the presence of UFO's; & Scientist Cramp's "orthographic projection" of the Adamski & Darbishire photos which prove their AMAZING AUTHENTICITY.....Careful readers will see right thru Menzel's neatly laid smoke-screen; thus we feel the book will be a back-handed furtherance of the whole UFO subject.

*SAUCER FRONT: At twilight on Sept. 27 '62 a mysterious explosion was seen over the Holy Land near Bethlehem; many townspeople in Jerusalem & vicinity watched spellbound as a HUGE CIGAR-SHAPED OBJECT rose slowly, then suddenly seemed to explode in a great smoky cloud. UN officials were alerted & made searches in the No Man's Land between Israel & Jordan---nothing was found.....Recent Midwest visitors to the LLP told of a UFO landing in July at Fern Creek, Ky. Four witnesses saw a small disc emerge from a larger disc in the sky; the small disc dropped down behind a wooded area. Next they saw a MAN WEARING A "DIVER TYPE" HELMET, blouse & "ski pants". The 4 felt sharp "tingling sensations" - apparently from an object held by the stranger. They left the area hurriedly. Case probed by Air Nat'l Guard; covered in Ky. press.....Near Padua, Italy, Mario Salmaso (a wellknown artist) was photographing snow scenes; as he moved past a snow-covered tree, he was startled to see a "machine in the shape of a saucer, surrounded by a luminous halo" on the ground 70 meters away; near the machine was a "sort of man" in "transparent overalls". After a moment, the saucerian stepped into the craft & it rose swiftly & disappeared. Salmaso took 4 photos of the pilot & saucer (as yet unreleased).....Argentina "flap" still making headlines: a glowing object "shaped like a football" came down at midnight ON THE RUNWAY AT BUENOS AIRES INT'L AIRPORT, just as a Pan Am DC8 was landing. Control tower men told reporters the UFO parked on the pavement, then "ascended at high speed," leveled off abruptly & zoomed away over the horizon.....In Liverpool, Eng., 13-yr-old Robt Hirst & his mother were watching TV when power cut off - they looked out the window & saw "a 16-ft. Saucer" hovering over their garden, with 2 "aerials" & a red light that pulsed on & off; made a low buzzing sound; hung in midair for a minute, then took off over the rooftops.....Student pilots in Detroit starting a course in radar asked if the airport radar ever picked up UFO's; were told, "Yes, but that information is in a separate department----- & it is Secret!".....A spectacular "spaceship" was seen over Fiji Is. in broad daylight Apr. 3d; British Navy & N.Z. Air Force men, plus the police & civilians reported sighting a "huge object glowing with a greenish-white luminescence"; it looked like a "CLASSICAL EXAMPLE OF A HOLLYWOOD SPACESHIP," said an officer on the survey ship H.M.S. Cook.....A physicist who called at LLP divulged that a major U.S. observatory has for years quietly been watching the face of the sun & COUNTING OBJECTS WHICH CROSS IT - many in regular formations which defy natural theories.....Fifteen major nations, including Russia, have official Gov't projects hard at work INVESTIGATING FLYING SAUCERS, says British writer; "only France, of all the major countries, has no Gov't agency in this field----- & only in France are reports of sightings printed in their entirety as they occur".....Visitors tell of many Saucer groups all over U.S. working quietly, unknown to each other; total number is "far greater than is generally realized".....Queensland (Australia) F.S. Research Bureau reports a sharp upsurge of sightings down there, with "rapidly awakening public interest" - more factual UFO news appears in the papers, plus special radio & TV broadcasts on subject; "Saucers are becoming 'respectable' & are now LEGITIMATE NEWS." (U.S. papers please copy!).....Silvery, circular discs are being seen regularly in DAYTIME in Australia - reflecting the sun metallically "like an airplane" - befuddling R.A.A.F. officers, whose theories ("balls of cloud" -- "planet Venus") are as desperate as the U.S.A.F.'s.....A strange flaming object lit up the night skies all along the Atlantic Coast from No. Carolina to the N.Y. Bay area at 10:10 PM, Mar. 25th. Of some 30 reports, the most dramatic was by Dudley Troy, former skeptic. While driving along Newark Bay, he saw what looked like a giant pinwheel "as big as a house", or like a "lighted, revolving FERRYBOAT IN THE SKY"; it was fiery red & seemed to have many windows. Other witnesses called it "awesome & unbelievable!"

*UFO'S BOMBARDING ITALY: Britain's incisive Flying Saucer Review carries an eye-opening series on recent Saucer action in Italy, where national magazines have been giving the subject banner headlines & picture layouts. Build-up of Saucer activity there led to forming of a Research Center in '61, whose global "Space Census" has brought in thousands of reports, now being digested. Italy's wellknown & respected science writer, Bruno Ghibaudi - after 2 yrs of sober investigation - concluded (in "la Domenica del Corriere") that there have been OVER 200,000 REPORTED SIGHTINGS WORLDWIDE----- & the number of "definitely ascertained landings" on Earth is now 2000; "Italy alone has had at least 200 landings." He openly confirms the oft-heard reports that Space People have "human form" - & that they are already living among us, but are wisely keeping themselves incognito.

*SAUCERS vs. SILENCE---THE CLIMAX LOOMS! The U.S. Air Force sits on the lid of world UFO secrecy; month by month, their position grows more vulnerable, as public awareness of Saucer reality increases & astronomers - in rising volume - proclaim their positive belief in intelligent life "out yonder"! For 6 yrs, the BIGGEST THREAT TO THE AF'S SILENCE POLICY has been the now 5500-member organization with HQs on Connecticut Ave. in Washington, known as NICAP. With the directness of Sir Galahad, its top official - Maj. Donald Keyhoe - has doggedly challenged the AF to adopt an open policy & admit the truth! NICAP's persistent pelting is soon to take the shape of a BLOCK-BUSTER---a 128-pg report of their intensive research---a REVEALING PICTURE of the facts & of the duplicity they say has been going on, both in the U.S. & other Gov'ts. This report - in powerful graphic form - will be released with impact this fall, to the nation's Editors, radio-TV broadcasters, etc. & simultaneously will be hand-delivered to all Members of Congress. Close observers predict this CHAIN REACTION: (1) A storm of controversy at all levels, from grass roots to Capitol dome. (2) A desperate counter-attempt by the SILENCE GROUP to becloud the atmosphere with their fog-machine of doubletalk & deception. (3) If the public mind survives their assault & makes itself heard in the halls of Gov't, the long-sought goal of OPEN CONGRESSIONAL HEARINGS could be attained. (4) The people could thus ostensibly force the hand of the far-flung Silence Group, in America & abroad. (5) Planet Earth would then be in a state of readiness to "drive the Golden Spike" with Visitors from other worlds.

*MAILBAG: Always the mailbag reveals to us the great hunger of the people. Many ask if there are any New Age groups or Saucer researchers in their vicinity. Many express great loneliness to talk to those with the New Age viewpoint because it brings hope. "Do not drop our name," pleads Mrs. J.C., Cal. & asks if we have a lifetime subscription rate.....Letter from Neva Dell Hunter---she is very active after a great healing & is holding meetings around the country.....News from radioman Jim Lee of Texas who has run the Interplanetary Space Patrol---dormant at present until the sun spots get out of the way, but he's busy improving his "ham" station & wants to broadcast some of the LLP.....R.R. from N. Car. sat in the garden & told of his fine plans to devote all his time very soon to spiritual healing. (He takes no pay.)..... E.L., Peru, reports the ocean up & down the coast extremely high & undulating----no explanation.....Rev. Nothdurft, Iowa, visited Ken Arnold, who told him ALL ASTRO-NAUTS see the "fireflies" when they go high enough.....E.M., Conn. says she's recently read startling literature from Eng. indicating there is a WORLD ORGANIZATION that controls Communism, the entire drug traffic, call girls in many lands, pornographic books; they have infiltrated banks, churches, schools. She asks how long before the MAILED FIST OF GOD comes down on this world!....."My gratitude for the unusual news the LLP brings," writes A.A., Colo., "----the Saucer news especially, since no other source seems to bring it".....So many write they pass the LLP on to others.Thanks for all your letters & also donations; all are vital to our work.

*LLP'S BIG DYNAMIC PICTURE: Orders still come in for this "Picture without a name." Everyone seems to get something different from it! One man said, "As soon as I saw it, I knew it had a lesson to teach me: 'Free is the man who breaks the bonds of thought & lets himself flow with the Divine.'" Have you gotten yours? (Now \$1.)

*THE LITTLE LISTENING POST is issued every few weeks, when the news boils over - from Washington, news Capital of the World. It is a SCRUTINIZER, scanning the Montage of events as they pile up from every direction...Foremost among today's momentous movements, "a tidal wave of racial awakening sweeps over the world," says Charles Wells, "and the image of America faces a new test for survival." The white race, declining in comparative numbers, must make fast reassessments of its intellectual & spiritual leadership, for the new challenge deals not with Science or Economy, but with human egos & people, per se. With near 19 mil Negroes in the U.S., the eyes of the world are on this testing ground & are re-riveted on Washington as the focal point of this great new emergence of concepts. Here are the front-line trenches.....Man is now reaching the last page in his schoolbook of Earth. He is faced with the final problem: Under the threat of annihilation, CAN HUMANITY AMALGAMATE?.....Listen in with The Little Listening Post.

Six Issues for Three Dollars
